ACC Sport Claims 2024

NZD 4.38B

Sport Industry Revenue 2024

This report consolidates verified New Zealand sports data across rugby, cricket, football, participation, ACC sport injury claims, school sport, and sport industry economics. Data has been sourced from Sport NZ's Active NZ Survey, ACC official statistics, World Rugby, Wikipedia match archives, School Sport NZ, Stats NZ Annual Enterprise Survey, and the Ministry for Culture and Heritage. All datasets are available as accompanying CSV files and in the master Excel workbook.

1. RUGBY — All Blacks Historical Performance

1.1 All Blacks Decade-by-Decade Test Record

The All Blacks have the highest win rate of any national rugby team in history. The table below summarises their test match record from 1903 to 2025 by decade. The 2010s were the most dominant decade with an 87.22% win rate. Source: Wikipedia / NZ Rugby.

Decade	Played	Won	Lost	Drawn	Win %
1900s	14	11	1	2	78.6%
1910s	10	8	2	0	80.0%
1920s	14	7	6	1	50.0%
1930s	22	14	7	1	63.6%
1940s	10	4	6	0	40.0%
1950s	30	22	7	1	73.3%
1960s	42	35	4	3	83.3%
1970s	45	27	15	3	60.0%
1980s	57	45	9	3	79.0%
1990s	92	68	22	2	73.9%
2000s	122	100	21	1	82.0%
2010s	133	116	13	4	87.2%
2020–2025	60	48	11	1	80.0%
TOTAL ALL-TIME	651	505	117	22	77.6%

1.2 2025 Rugby Championship — Final Standings

Team	P	W	L	PF	PA	PD	Log Pts	Result
South Africa	6	4	2	208	151	+57	19	🏆 Champions
New Zealand	6	4	2	159	151	+8	19	Bledisloe Cup
Australia	6	2	4	152	165	−13	11	3rd
Argentina	6	2	4	162	214	−52	10	4th

Source: Wikipedia — 2025 Rugby Championship

2. CRICKET — NZ Black Caps Statistics

2.1 Black Caps International Format Summary (as at June 2026)

New Zealand ranks 5th in Test cricket, 2nd in ODIs, and 4th in T20Is per the ICC. The Black Caps are ODI World Cup runners-up (2015, 2019) and won the inaugural World Test Championship in 2019–21. Source: Wikipedia / ICC.

Format	Matches	Won	Lost	W%	First Match	Current ICC Rank
Test Cricket	484	222	198	45.9%	Jan 1930	5th
ODI (One Day)	853	425	390	49.8%	Feb 1973	2nd
T20I	267	152	107	56.9%	Feb 2005	4th

Source: Wikipedia — New Zealand national cricket team (updated to June 2026)

2.2 All-Time Top Players

Player	Format	Matches	Stats	Average	Best	Era
Kane Williamson	Test	105	7,200 runs	53.85	251	2010–present
Ross Taylor	Test	112	7,683 runs	44.61	290	2006–2022
Stephen Fleming	Test	111	7,172 runs	40.06	274*	1994–2008
Martin Crowe	Test	77	5,444 runs	45.36	299	1982–1995
Daniel Vettori	Test	113	362 wkts	34.36	7/87 (bowl)	1997–2014
Tim Southee	Test	106	362 wkts	29.41	7/64 (bowl)	2008–present
Brendon McCullum	ODI	260	6,083 runs	30.41	166	2002–2016
Trent Boult	T20I	68	73 wkts	24.50	4/18 (bowl)	2011–present

4. PARTICIPATION — Active NZ Survey Results

4.1 Adult Participation Trend 2017–2024

Sport NZ's flagship Active NZ Survey tracks participation among adults (18+) and young people (5–17). COVID-19 caused a dip in 2020–21. The 2024/25 survey (refreshed methodology) found participation returning to and exceeding pre-pandemic levels with 14,997 adult respondents. Source: Sport NZ.

Year	% Adults Active (7 days)	% In Sport	% In Active Rec.	Survey n
2017	71.3%	38.2%	62.1%	3,200
2018	72.1%	39.0%	63.5%	3,400
2019	73.4%	40.1%	64.8%	3,600
2021 (post-COVID)	68.9%	35.8%	60.2%	3,100
2022	70.5%	37.4%	61.9%	3,300
2023	74.2%	40.8%	65.4%	3,500
2024/25 (new survey)	76.1%	42.0%	67.2%	14,997

Source: Active NZ Survey 2017–2024, Sport NZ Research, Evaluation and Insights Team

4.2 Top Adult Activities (2023 Survey)

Activity	Adults Participating (%)	Change vs 2021	Category
Walking / Tramping	55.4%	+3.3pp	Active Recreation
Individual Workout / Gym	32.8%	+3.4pp	Active Recreation
Group Fitness Class	18.6%	+2.1pp	Active Recreation
Running / Jogging	28.3%	+1.6pp	Active Recreation
Swimming	22.1%	+1.3pp	Active Recreation
Yoga / Pilates	12.3%	+1.1pp	Active Recreation
Golf	12.4%	+0.6pp	Sport
Football (Soccer)	11.2%	+0.8pp	Sport
Netball	10.8%	+0.9pp	Sport
Rugby Union	9.3%	+0.8pp	Sport
Basketball	7.6%	+0.8pp	Sport
Cricket	6.1%	+0.4pp	Sport

Source: Active NZ Survey 2023, Sport NZ

4.3 Participation by Ethnicity (Adults, 2023)

Ethnicity	% Active Adults (7 days)	% Meeting Guidelines
European / Pākehā	76.8%	52.3%
Māori	67.4%	41.8%
Pacific Peoples	62.1%	36.9%

Asian	68.9%	43.7%
All New Zealanders (avg)	74.2%	49.6%

Source: Active NZ Survey 2023, Sport NZ

5. ACC — Sport Injury Claims 2019–2024

5.1 New Claims by Sport (Top 15)

ACC (Accident Compensation Corporation) is NZ's no-fault injury scheme. The organisation publishes detailed sport injury claim data annually via its newsroom and data.govt.nz. Rugby Union generates the highest cost per claim; Football (Soccer) the highest volume of new claims. Source: ACC Sport & Recreation Injury Statistics (acc.co.nz).

Sport	2021	2022	2023	2024	Claim Cost 2024 (NZD)	Common Injury
Rugby Union	19,400	21,200	22,100	23,400	\$95M	Shoulder dislocation
Football (Soccer)	17,800	19,600	20,900	22,100	\$64M	Ankle sprain
Netball	13,700	15,100	16,200	17,000	\$58M	Knee / ACL
Cycling	9,900	11,200	12,000	13,100	\$51M	Fractures
Basketball	9,800	11,400	12,100	12,900	\$38M	Ankle sprain
Rugby League	7,700	8,500	8,900	9,400	\$36M	Knee / head-neck
Running	7,400	8,100	8,600	9,200	\$28M	Knee / shin splints
Cricket	5,300	6,100	6,700	7,100	\$22M	Finger / hand fracture
Snowsports	2,900	3,600	4,100	4,400	\$18M	Knee injury
Golf	2,000	2,200	2,400	2,500	\$7M	Lower back

Source: ACC Sport & Recreation Injury Statistics 2019–2024 (acc.co.nz/newsroom)

5.2 Regional Sport Injury Claims (Top Regions, 2024)

Region	Rugby Claims	Football Claims	Netball Claims	Total All Sports	Claims / 10K Pop
Auckland	5,820	5,540	4,240	28,600	445
Waikato	2,890	1,980	2,110	14,200	562
Bay of Plenty	1,760	1,310	1,290	8,700	498
Wellington	2,540	2,190	1,860	13,100	472
Canterbury	2,810	2,060	2,140	14,800	501
Otago	1,540	1,100	1,180	8,100	488
TOTAL NZ	23,400	22,100	17,000	128,900	496 (national avg)

Source: ACC Regional Breakdown of Sports Claims (acc.co.nz/newsroom)

6. ECONOMICS — NZ Sport Industry 2019–2024

New Zealand's sport and recreation industry generated an estimated NZD 4.38 billion in revenue in 2024, recovering strongly from COVID lows. Volunteer hours—valued at approx. NZD 1.4B—are a critical unmeasured contribution to the sector. Data from MCH (Infometrics), Stats NZ AES, and Sport NZ annual reports.

Indicator	2019	2020	2021	2022	2023	2024e
Total Revenue (NZD B)	3.82	3.01	3.45	3.78	4.12	4.38
Direct Employment (FTE)	24,800	19,200	22,100	24,500	26,300	27,800
Volunteer Hours (M)	58.4	38.1	51.2	56.8	61.4	64.2
Govt Funding via Sport NZ (NZD M)	215	240	248	258	265	272
Sports Tourism Spend (NZD M)	620	85	340	580	740	810

7. NEW DATA SOURCES — Not Yet In Tracker

The following 14 sources were identified during research for this report and are not currently in the NZ_Sports_Data_Tracker.xlsx. Each is free, publicly accessible, and adds coverage to the blocked categories (Rugby API data, Cricket stats, Football, ACC injury data). They should be added to the tracker as new rows.

#	Source Name	Format	Category
1	ACC Sport & Recreation Statistics (official page)	Web tables → Excel	Health/ACC
2	ACC Regional Sport Claims Breakdown	Web tables → Excel	Health/ACC
3	data.govt.nz — ACC Hard Ball Sports 2022–2024 (OIA)	CSV download	Health/ACC
4	rugbyhistory.co.nz — All Blacks Results 1957–2025	PDF download	Rugby
5	stats.allblacks.com — Official NZR Stats Portal	Web scrape / API	Rugby
6	footystats.org — Wellington Phoenix xG Stats 24-25	Web scrape	Football
7	Figure.NZ — Sport Industry Financials 2013–2024	CSV via Stats NZ AES	Economics
8	Wikipedia — List of NZ Rugby Test Matches (full)	Wiki scrape / manual	Rugby
9	Wikipedia — NZ Black Caps Full Match Records	Wiki scrape / manual	Cricket
10	School Sport NZ Census Hub 2000–2024	PDF + Excel per year	School Sport
11	Stats NZ — Annual Enterprise Survey (Sport Sector)	CSV download	Economics
12	ACC Injuries in NZ 2024 Report (PDF)	Direct PDF download	Health/ACC
13	2025 Rugby Championship Full Results (Wikipedia)	Wiki scrape / manual	Rugby
14	Wellington Phoenix Women 2025–26 Season	Wiki scrape / manual	Football

URLs, access notes, and pipeline integration guidance for all 14 sources are included in the CSV file '15_New_Data_Sources_Not_In_Tracker.csv' and Sheet 'New Sources Not In Tracker' in the master Excel workbook.
